## **PRESS RELEASE # 2**

For immediate release

### **Gobal presence yet again at the region's most discerning medical and healthcare event!**

The region's most established event in the medical and healthcare industry, HOSPIMedica ASIA 2008 will bring together yet again the best in the business of hospital, diagnostic, pharmaceutical, medical and rehabilitation equipment and supplies. It will serve as an outstanding platform for medical suppliers, industry professionals, government bodies, hospital administrators, doctors, nurses and other healthcare professionals. HOSPIMedica ASIA works in tandem with global healthcare players, and aligns its event themes with current trends and policies. International events like HOSPIMedica ASIA help to build and promote alliances among industry players from both public and private sectors, to shape a healthier future with better standards and practices.

This world-class exhibition will present visitors with numerous opportunities to network with over 350 exhibiting companies from 30 countries who will showcase cutting-edge and latest solutions, innovations and initiatives for both in- and out- patient care. HOSPIMedica ASIA is the proven platform for visitors from the region and beyond to keep themselves up-to-date on the medical technological developments that are shaping the healthcare industry today. Visitors will stand to gain valuable industry intelligence while sourcing for their procurement needs. There is no other showcase that introduces the region's medical and healthcare industry to a global presence of the world's leading medical companies.

With about 2 months to go until it open its doors, interest from the region's health care industry continues to grow. Pre-registration for visitors is now open. An added boost to overseas visitors who pre-register their visit is the chance to enjoy 2 nights complimentary

accommodation when they visit the exhibition whilst pre-registered visitors from Singapore will stand a chance to bask in a relaxing weekend at Singapore's famous beach resort – Sentosa Island.

## **OTHER HIGHLIGHTS**

- **Business Matching**

The Business Matching Service at HOSPIMedica ASIA continues to enjoy good responses. This, coupled with a strong exhibitor showing, will ensure that HOSPIMedica ASIA continues to function as the perfect forum for the region's healthcare industry to come together and source opportunities for better and more innovative healthcare solutions, products and initiatives.

- **OS+H Asia 2008, The 6<sup>th</sup> Occupational Safety+Health Exhibition For Asia**

Held alongside HOSPIMedica ASIA is OS+H Asia, a specialised exhibition on everything to do with providing quality workcare. Some 120 exhibiting companies from 20 countries will showcase the best in workcare as well as on preventive measures and solutions of occupational and safety hazards at the workplace. More information on OS+H Asia is available at [www.osha-singapore.com](http://www.osha-singapore.com)

- **ACOH 2008 Conference**

The 19th ACOH conference aptly themed as *"Redefining Occupational Health In The Face of Globalization"* will provide an excellent forum for all OSH practitioners to come together to redefine their roles and adopt innovative approaches in the face of globalization. This conference is organized by the Occupational and Environmental Health Society (OEHS) and managed by Messe Duesseldorf Asia. More information on the ACOH 2008 conference is available at [www.acoh2008.com](http://www.acoh2008.com)

## **OPENING HOURS**

HOSPIMedica ASIA will open its doors from 17 to 19 September 2008 at Suntec Singapore Hall 601 – 603, from 10.00am to 6.00pm daily. All visitors are required to register their visit. Pre-registration is now open and visitors are urged to pre-register their visit online at [www.hospimedica-asia.com](http://www.hospimedica-asia.com) to enjoy some of the perks offered.

HOSPIMedica ASIA is organized by Messe Duesseldorf Asia and is sponsored by Singapore's Ministry of Health. The exhibition is endorsed by the Singapore Tourism Board as an Approved

International Fair and well supported by both MEDICA and REHACARE INTERNATIONAL. HOSPIMedica ASIA made its debut in Singapore in 1997 and is today the region's leading and most authoritative healthcare platform.
