PRESS RELEASE # 3

For immediate release

- **Singapore's Senior Minister of State for Trade and Industry to open HOSPIMedica ASIA**
- **A wide range of new and improved products to debut at HOSPIMedica ASIA**

With less than a month to go until the seventh presentation of HOSPIMedica ASIA, the region's most established medical event, interest from the region's health care industry continues to grow with visitor pre-registration figures looking promising, especially from those coming from across the Southeast Asian countries. At press time, the number of exhibiting companies stands at 350 from some 30 countries including national and group participation from Australia, Austria, China, France, Germany, India, Italy, South Korea, Spain, Singapore, Taiwan and the United Kingdom.

HOSPIMedica ASIA will hold a joint opening ceremony with two related events, namely OS+H Asia, The 6th Occupational Safety+Health Exhibition for Asia and the 19th Asian Conference on Occupational Health. Mr S Iswaran, Senior Minister of State for Trade and Industry will grace this occasion on 17 September 2008 at 9.00am at Suntec Singapore.

Sponsored by Singapore's Ministry of Health, HOSPIMedica ASIA is organized by Messe Duesseldorf Asia and supported by MEDICA and REHACARE INTERNATIONAL, the world's leading forum for medicine, in- and out-patient and rehabilitation care. The exhibition is endorsed as an Approved International Fair by the Singapore Exhibition and Convention Bureau befitting the internationality and scope of the event.

Numerous exhibiting companies are taking the opportunity to launch new and improved innovations to the region at HOSPIMedica ASIA 2008. Some of these products include:

- New syringe pump, AITECS 2016, from VILTECHMEDA, UAB. The pump is easy to use, durable and equipped with broad speed rates.

CONCURRENT EVENTS

Show organizer, Messe Düsseldorf Asia constantly strives to provide both visitors and exhibitors with exciting ancillary programmes. This year, HOSPI Medica ASIA is augmented by

- **OS+H Asia 2008, The 6th Occupational Safety+Health Exhibition For Asia** Held alongside HOSPI Medica ASIA is OS+H Asia, a specialised exhibition on everything to do with providing quality workcare. Some 100 exhibiting companies and renowned brands from 15 countries will showcase the best in workcare as well as on preventive

measures and solutions of occupational and safety hazards at the workplace. More information on OS+H Asia is available at www.osha-singapore.com

- **ACOH 2008 Conference**

The 19th ACOH conference aptly themed as *"Redefining Occupational Health In The Face of Globalization"* will provide an excellent forum for all OSH practitioners to come together to redefine their roles and adopt innovative approaches in the face of globalization. This conference is organized by the Occupational and Environmental Health Society (OEHS) and managed by Messe Duesseldorf Asia. More information on the ACOH 2008 conference is available at www.acoh2008.com
